Subject: Query

Hi Paula,

I live on the D146 in Rosetta, the road which is going to be used for the building of the dam, and we run a business called 'Horizons Gourmet Picnics' plus two, two room self catering units.

What recourse do we have if the building of the dam begins to impinge on our rights to make a living, considering there will 100 truck trips a day travelling passed our property.

On the notice board is states that all queries need to be sent to you before the 24th September - please acknowledge this e-mail as an official query

Please give this your urgent attention

Kind Regards

Brendan Grealy
